

Event: Special Session on Career in Management.

Venue: Seminar Hall, IGDTUW

A special session on “Career in Management” was organized in collaboration with ICFAI Business School on 17th September 2019 in the seminar hall, IGDTUW. Professor Ranika Chaudhary delivered the special session to the students of BBA. The session was very informative and interesting and students really enjoyed and learnt about various opportunities available in different verticals of Management. They also came to know about the emerging areas of business and where they should focus in their studies and preparations so that they can get the best job offers or go for further studies.
