CALL FOR PAPERS

Oriental-COCOSDA, an acronym of the International Committee for the Coordination and Standardisation of Speech Databases and Assessment Techniques, is the flagship conference established in 1991 to promote international cooperation in developing speech corpora and coordinating assessment methods of speech input/output systems. The purpose of Oriental COCOSDA is to exchange ideas, share information and discuss regional matters on creation, utilisation, dissemination of spoken language corpora of oriental languages and also on the assessment methods of speech recognition/synthesis systems as well as to promote speech research on oriental languages. The previous editions of O-COCOSDA Conference have been successfully organised by the different Universities of the Countries associated to Oriental-COCOSDA including countries from Europe, Asia, Africa, North America, Latin America and Oceania. In 2014, Oriental COCOSDA was held in Delhi, INDIA for the first time. In 2023, the 26th Conference of the Oriental COCOSDA is returning to India for the second time, and will be proudly hosted by the Indira Gandhi Delhi Technical University for Women, IGDTUW, Delhi India.

Accepted papers will be presented orally or as posters as determined by the committee. Upon acceptance (following peer review), registration, and presentation papers will be submitted to the IEEE for consideration for publishing in the IEEE Xplore, subject to meeting IEEE quality standards.

Papers are invited on substantial, original and unpublished research on all aspects of speech databases, assessments and speech I/O, including topics related to the Conference Tracks mentioned below: -

- Speech Science
